

**Kruger National Park**  
**South Africa**  
**31 October–2 November 2019**

**A 52nd AGA Post-Tour**  
**Hosted by AIM**

# Introduction

The Kruger National Park is one of Africa's largest game parks and one of its most renowned. Situated on the border with Mozambique, it is abundant in wildlife famous for its Big five mammal sightings. Our accommodations are based in the environs of the Mjejane River, which is on the southern edge of the Park and closest to Johannesburg, only 4½ hours drive from Oliver Tambo International Airport. The two nights three days package includes two morning and two afternoon game drives, which provide ample opportunity to observe the abundance of wildlife in the Park.

Encompassing an area of over two million hectares, Kruger National Park is one of the largest game reserves in the world and is a truly remarkable destination. Owing to its exceptional size, visitors can experience fantastic diversity – from changing scenery and ecosystems to an impressive array of animals, plant life and birdlife. *“Kruger is one of the world's greatest wildlife-watching destinations. All of Africa's iconic safari species – elephant, lion, leopard, cheetah, rhino, buffalo, giraffe, hippo and zebra – share the bushveld with a supporting cast of 137 other mammals and over 500 varieties of bird”.*

*Lonely Planet.*

## Programme

### **Thursday, 31 October. Day 1** – Transfer from Birchwood Hotel to Mjejane River Lodge (*Breakfast, Lunch and Dinner*)

This morning we will have an early transfer from Johannesburg (*departure from Birchwood Hotel at 09:30*) to Mjejane Private Game Reserve in the Kruger National Park, the drive will take approximately 4½ hours, with a comfort stop en-route. Arrive at the Lodge in time for a late lunch and check-in, with some rest time before your first game drive. After the game drive we will return to the Lodge for dinner.

Mjejane Game Reserve is fully absorbed into the Kruger National Park. Therefore, all fences between the Mjejane Reserve and Kruger were removed and the animals move freely. Safari viewing and experience is therefore much better than being in a private reserve. Kruger National Park is the third biggest game reserve in the world and has the widest array of fauna and flora. It is simply unbeatable as far as safaris is concerned.

### **Friday, 1 November. Day 2** – Game drives in Kruger National Park (*Breakfast, Lunch and Dinner*)

An early morning game drive with a packed breakfast. Return to the Lodge before lunch and enjoy the rest of the afternoon at leisure in the Lodge, before the afternoon game drive on the concession. Dinner at the Lodge.

The Mjejane River lodge also has the unique setting overlooking the Crocodile River, therefore all rooms have a view and direct access to the lush gardens. It is possible to view animals from the lodge itself. A fabulous Boma dinner (outdoor restaurant under the stars) is served every second day to allow guests to experience an authentic African style of dining.

### **Saturday, 2 November. Day 3** – Game drives in Kruger National Park (*Breakfast*)

An early morning game drive followed by breakfast. Check out from Lodge at 10:00 and transfer to Johannesburg Oliver Tambo International Airport. End of package.
