

Dear Members,

It is my pleasure to advise that Fiji Airways will kindly offer all participants who will be attending the WACA 57th AGA in Fiji, and the post-AGA tour in New Zealand, the opportunity to purchase a Bula Buddy pass for travel from/to one of its North American gateways. Attached you will see the costs and conditions of the Bula Buddies passes for IATAN Agents in the United States and Vancouver. These Bula Buddies rates are generously being extended to WACA participants who will attend the 57th AGA and the post-AGA tour in New Zealand.

Before you make an application for a special Bula Buddy pass, the member who is the airline employee or retiree will need to advise me if he/she and spouse or companion will depart from a United States gateway or from Vancouver. I will then provide him/her with a passcode to commence the application process.

Once you have the passcode, the same application procedure as in the attachments above will apply to obtain your ticket(s), i.e. the participant who is the airline employee or retiree will send a copy of his/her airline/IATA identification card with his/her application and also request a ticket for his/her spouse or companion. *Note that applications **must not** be sent to the contacts shown in the attached. I will advise the Fiji Airways contact's name and e-mail address at the time I provide the passcode.*

Best regards,

Keith Miller
WACA Administration Manager
