

Subject: Membership Message 17/2020

Dear Members,

The 2020 Interline Celebration

WACA President, *Maga Ramasamy*, had the pleasure to welcome members to The WACA 2020 Virtual Interline Celebration last Saturday (7 November). The Celebration was held via a Zoom video conference in an informal setting where the current affairs of the Association and future goals were outlined taking into consideration the effects of post COVID-19 as attachments to this e-mail show. Although less members participated than had been expected, it was nevertheless a most successful meeting which culminated with the participants raising a glass or cup in a toast to Good Health, Happiness and continued Friendship.

Office Restrictions Update

The province of Quebec continues to leave the city of Montreal in a “red zone” during this “second wave” of COVID-19 which means that restaurants, cinemas, sports stadiums, etc. remain closed. Offices can remain open with the continued limit on the number of staff a company is allowed to work in its offices at any given time which means I can only work from the office on a limited number of days per month. It is still unknown how long these restrictions will be in effect so I continue to also work from home as required between my restricted office visits.

Grand Venture Bonanza

And the Winners is ...

The sixth draw of 2020 for a USD 100.00 cash prize donated by WACA was made today in the WACA office by myself due to the social distancing restrictions that are currently in place. There were 317 tickets in the draw and the lucky winner is *Maria Do Ceu Paiva* from the Interairline Club Zurich with ticket number 12110. ***Congratulations.***

Next Draw

The remaining 316 tickets will now be included in the next draw scheduled to be held in December for another USD 100.00 cash prize donated by WACA.
