##### *Members of Honour*

Maga also had the pleasure to bestow the title Member of Honour on Far East and Australasia Regional Coordinator, *Margaret Lee*, from the Sydney Interline Club and the Africa, Indian Ocean Islands and Middle East Regional Coordinator, *Yousef Yousef*, from the Jordan Interline Club. ***Congratulations.***  
*Thank You from the Public Relations Coordinator*

The 52nd AGA Public Relations Coordinator, *Linda Lenters*, sends her thanks to everyone who participated in the 50/50 draw and especially to those participants who donated for all the wonderful gifts for the tombola. Every year it is a challenge to collect, display and distribute all the gifts brought for the tombola which has been a great fundraiser for WACA. It is now, however, time for a new fundraising activity. The 50/50 is always great and fun and is expected to continue but I am looking for some new ideas to replace the tombola and I am reaching out to everyone to please send me any ideas you have for next year's AGA. I would love to hear from you: [yycic@hotmail.ca](mailto:yycic@hotmail.ca).

##### *Charity*

Participants were once again more than generous with their donations to the needy causes that WACA supported in South Africa. Attached is a thank you letter written by Sister Wendy Hahne saying how much the items donated were

just what was needed at the Elandsvallei Home for the Aged which was one of the supported charities.

### ***Pre- and Post-AGA Tours***

Participants on the pre-AGA tour to Victoria Falls and the Chobe National Park arrived in Johannesburg with wonderful stories of their experiences viewing the falls and the safari. The post-AGA tours were also full of praise from the participants especially from those that attended the Kruger National Park tour who exchanged stories about the sightings they had seen on their specific safari vehicle.

### **The Silk Road 2020**

The Silk Road 2020 tour will be an epic 21 nights trip from 5–26 June 2020 that will commence in Xi'An and ends at Tashkurgan near the Pakistan border. The trip is being organised by WACA and will take participants from the historical heart of China to the Tibetan Region of Amdo, then to the Gobi Desert in Inner Mongolia, from there we will visit the spectacular Buddhist grottoes at Dunhuang and journey into Islamic China where you will stay with the Kazakh nomads in their yurt camps at the Kalajun Grasslands near Kazakhstan and visit the fabled city of Kashgar and its famous Sunday livestock market. We will go as far as Tashkurgan near the Pakistani border staying with Pamiri Tajik people, a Persian speaking people living in China today. We will travel by bullet trains, aircraft, horses, buses, camels and whatever it takes. It will also come as a surprise to many that China is not a monolithic nation of "Chinese" people but a nation of great diversity and ethnic groups.
