

Subject: North American Coordinator Newsletter

Greetings to our North American Clubs, New York, San Diego, Vancouver, Winnipeg, Calgary and our Members at Large,

Keith has sent out (as always) monthly Membership messages with updates as to where WACA stands due to Covid 19. Due to the state of the travel world we have had no choice but to postpone the 53rd AGA in Bali till 2021 and the 54th AGA in Jordan till 2022. Being grounded is no easy task for airlines and adds to all the struggles 2020 has put on us.

Our WACA members are a strong group and we know that we are there always for each other. We had a international Zoom meeting and moving forward as Keith, in membership message 10/2020 mentioned we are planning a mini AGA in October in perhaps Amsterdam, as a central location. We hope at this time to be able to work on details of what the AGA in 2021 will look like and any details that we must change moving forward.

With our lives on hold even our active clubs cannot meet or hold socials so there is nothing to report. I just wanted to reach out and let you know that if you have any questions or concerns I am always willing to help or reach out to find answers. That being said if anyone also has information that would help us in our future travels please send it to me and I will ensure that the N.A. Clubs are aware and can inform their members.

If we are able to meet this October/November I will be attending and can bring forward any questions or concerns or suggestions you may have.

Yours in friendship and Interlining

Linda Lenters
North American Coordinator,
President Calgary Interline Club
