**VANCOUVER INTERLINE CLUB ANNUAL WALKING RALLY
JUNE 21ST
SEE POSTER INSIDE**

For those members who haven't participated in the Rally before, it is like a treasure hunt. You are pointed in the right direction and handed a list of clues which you have to solve. This is a lot of fun, flat terrain and just a leisurely stroll.

Presidents Message

IHi Vancouver Interliners,

Happy to say the Spring Fling at the Richmond Curling Club was a success. The food and the band were excellent and I even think we had some new members sign up as well. (If you recall from previous messages, my goal is to get our VIC membership to 200 by the end of my term).

The Air Canada Pionairs had two training courses which I had the opportunity to talk and let all participants there know VIC is very much active. We handed out membership applications which were warmly received. Several attendees filled in membership forms.

The membership drive at the Air Canada Ops Centre did not go as planned but Air Canada is still willing to host us at future dates.

The 1st WACA Council Meeting of 2018 was held in May 2018 in Mauritius. Member Clubs' WACA Representatives and Members-at-Large were requested to send to Keith Miller's attention any item(s) they would like to be included on the agenda. I sent in three items which were added to the agenda.

Last thing I have to add is, I recently returned from Fiji and while in Nadi, I had the opportunity to talk to a couple of Fiji Airways employees. They were interested to know more about the Vancouver Interline Club and WACA. We exchanged contact information and I have forwarded this to Keith Miller.

Yours in Interlining

Spring Fling May 12, 2018

We had a great time at the Spring Fling with 65 people in attendance, we had our sights set on 80 but unfortunately some people could not make it at the last minute needless to say we lost money on this one, but everyone had fun and the band was great and so was the food so that is what really matters.

Our 50/50 winner was Nelly Law

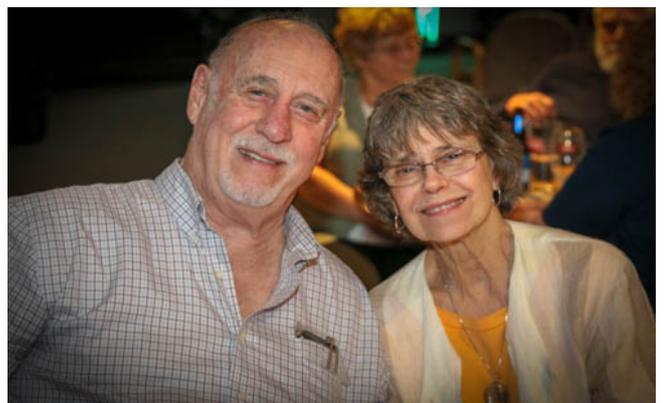

We had several door prize winners and they were:

Silvia Ureta ---Janet Sinclair ----Darlene Randall ----
Sylvia Mahal -----Claudette Zeiler ---- Norma
Garroway ----Karin Houston ----and Michel
Blanchette congratulations to all of you.

We were trying a new payment plan for our event which was e-transfers but only six people used it. We are hoping it will catch on as it would make things a lot faster at the door, but if it is easier for the majority of our members then we will carry on with our normal procedure.

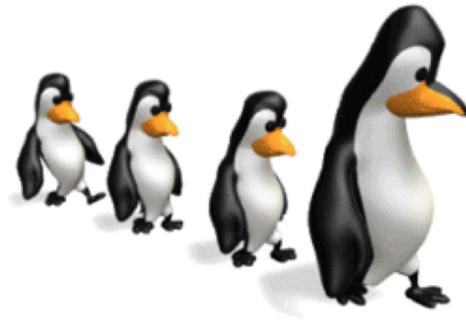

The proceeds from our 50/50 draw went to “Dreams Take Flight” a wonderful organization that is 100 % volunteers and we take 125 terminally ill and under privileged kids to Disneyland every year. Thank you for your continued support

Yours in Interlining.....Ann Senko

"E" Transfer 101

In case this is new to you I thought a brief explanation on how electronic transfer of money to and from your account makes life so much easier now.

Today a lot of organizations and events are asking their customers/members to pay upfront and no longer sell tickets at the door.

The Vancouver Interline Club has been accepting etransfer payments for the past two years with great success.

If you have a checking account you too can do an e transfer.

Basically all you need is an email address and provide a hint to the receiver on how to open your link to your account. No one else can see this transfer request and only the person or organization that you give permission to will know the answer to the hint you have provided in order to receive the transfer.

Step 1: Log on to your financial institutions online or mobile banking and navigate to etransfer to send money;

Step 2: Select the account you would like transfer the funds from and add or select a contact where you want to send the money to; usually an email address;

Step 3: Type in a specified amount you wish to send along with a personalized message and enter a security question and answer.

Step 4: Hit send. (Most transfers are completed within two to three days if sending to different institution. Same institution transfer occurs almost immediately)
